WHO IS BEHIND THE BRUISH

My name is Gabriela Jones, and I am the heart and hands behind Gabriela Jones Artistry. For over a decade, I've had the privilege of helping women look and feel their most beautiful on one of the most important days of their lives - their wedding day.

My journey into makeup artistry began after studying professionally in South Africa, and over the years I've continued to refine my skills, train internationally, and embrace the ever-evolving trends of the beauty industry.

In 2023, I travelled to London to complete advanced makeup training, further elevating my artistry and deepening my knowledge of bridal beauty. I believe education is ongoing, and I pride myself on keeping my techniques modern, timeless, and perfectly tailored to each bride I work with.

Over the years, my work has been recognized with awards and featured in magazines and on television, including kykNET shows - something I am truly grateful for. More than accolades, though, the greatest reward has been the countless brides who have trusted me with their special day, each one leaving with not only a flawless makeup look but also memories of feeling calm, cared for, and celebrated.

As a luxury bridal makeup artist, I bring more than just brushes and products. I bring experience, professionalism, and a genuine love for making women feel confident and radiant. When you choose me as your artist, you are choosing someone who will listen, guide, and ensure your beauty experience is as luxurious and memorable as the day itself.

THE EXPERIENCE

My entire process with you on this journey of what to expect with me leading up to your big day!

ESTIMATE & BOOKING

Once you have filled in the enquiry form on the website, I will check my availability & email you an estimate according to your wedding details. Once accepted, the contract is signed & the deposit paid to secure your wedding date. The deposit will go toward the final balance.

BRIDAL BENEFITS & GIFTS

After your date is locked in, you will receive an email from me with all the exclusive GJ Bride Benefits from the beauty studio discounts for you & your bridal party, to even the little engagement gift from me.

PREVIEW & APPOINTMENTS

A few months before your wedding, I will reach out to schedule your bridal preview & any other beauty appointments. At your preview, I spend the hour creating your desired makeup look to best suit your facial features, hair & eye colour.

TIMELINE & COUNTDOWN

To ensure your wedding day runs smoothly, a timeline will be set up & sent via email. You will need to confirm this timeline with your wedding planner / photographer - before confirming it with me. Then the countdown begins & the excitement starts!

THE FINAL GAME PLAN

The outstanding balance is paid 2 weeks before the wedding. We will do the scheduled beauty services in the week of the wedding. I will also contact you to confirm all wedding details to make sure we are on the same page & know the game plan for the day.

ITS YOUR WEDDING DAY!

Makeup and beauty is my passion and I will go the absolute extra mile to make you look & feel like the best on your wedding day! On your wedding day, the bride is my priority, ALWAYS!
